1. Cut page along dotted lines.

2. place the two sides together lengthwise using alignment arrows as a guide and secure with tape.

3. Place assembled guide on a hard floor (*avoid carpet*) with the heel against the wall, and place foot on the guide. (*make sure your heel and the guide are firmly against the wall*)

For questions or help using this guide, feel free to call us at 480-335-7447 or email us at Sales@devaskation.com

4. Stand straight and have another person mark the longest part of the foot with a pen.

5. Record the measurment in inches and compare to the desired brand size chart below.
